BULLET PROOF HELMET NIJ LEVEL IIIA

Ballistic Head Protection

PRODUCT VIEWS

PRODUCT OVERVIEW

The VIC MAC Bullet-Proof Helmet is based on the PASGT style and is designed to provide NIJ IIIA ballistic head protection while maintaining compatibility with operational equipment. The common configuration covers the head, ears and neck area and is available in multiple sizes and field colours.

KEY FEATURES

- NIJ Threat Level IIIA
- PASGT-style coverage.
- Compatible with active ear protection, optical equipment, respirators and communication systems.
- Common finishes: Olive Green, Black, Khaki / Desert Tan and White.
- Adjustable retention / harness system.
- Custom sizing available on request.
- Common shell weights remain below approximately 1.45 kg depending on size.
