HAND HELD METAL DETECTORS

Security Screening Equipment

PRODUCT VIEWS

PRODUCT OVERVIEW

VIC MAC offers a range of hand-held metal detectors for fast security screening of people, parcels and objects. The range is intended for the detection of concealed metallic objects and includes configurations with audio, visual and vibration alarms, rechargeable power options and high-sensitivity scanning. Common applications include airports, seaports, border and access-control points, public venues, institutional security and theft-prevention screening.

TECHNICAL SPECIFICATIONS

VIC MAC CORPORATION

An ISO 9001:2015 Certified Organization
Plot 265, Phase VI, Udyog Vihar, Gurugram, Haryana 122001, India
